All rights for the use of the WKF logo and name for purposes of fabrication or sale of articles bearing the name or logo of WKF (such as flags, medals, diplomas, badges, shields, ties, gadgets, and similar objects) rests exclusively with the WKF.
- 1.6 The official languages of the WKF shall be English and French. All official WKF publications must be edited in English, French and Spanish. At Congresses simultaneous translation shall be provided in these 3 (three) languages. In the event of disputes, the decision shall be based on the English text.
- 1.7 The WKF has the aim of promoting, organising, regulating and popularising the sport of karate all over the world, of protecting the physical and mental health of the athletes, of contributing to the development of friendly relationships among the National Federations and of defending the interests of karate through out the world.

The right to organise World Championships and other official WKF events shall be only granted to such countries that are able to receive all the eligible participants and delegates on their territory.

WORLD KARATE FEDERATION

- 1.9 The WKF will make all efforts possible to get karate accepted in the Olympic Games and in all other Games of the Olympic cycle.
- 1.10 The WKF aims to adopt and implement the World Anti Doping Code.

ART. 2- STRUCTURE

- 2.1 The National Federations may be members of Regional or Continental Federations or Associations of National Federations in order to participate in, or supervise the organisation of Regional or Continental karate competitions, including Regional or Continental Games. The WKF may recognise such Regional or Continental Federations or Associations. Such recognition shall in no way affect the right of the WKF to deal directly with each National Federation and vice versa.

The right of recognition, suspension or recognition withdrawal of Federations or Associations rests with the Executive Committee of the WKF. Appeal can be presented before the Disciplinary and Legal Commission within 21 (twenty one) days following the notification of decision. The recognition will be decided after the examination of the Statutes and their compatibility with those of the WKF. In case of changes in the affiliate or member organisation's Statutes, in case of violation, or for any other cause affecting the democracy of the sporting processes, the Executive Committee, after due examination, may reconsider such recognition. The Continental Federations can only admit as members National Federations already recognised by the WKF.

- 2.2 The WKF recognises in principle 5 (five) Continental Federations (Africa, America, Asia, Europe and Oceania) .

The above mentioned shall collaborate with the WKF within their areas of jurisdiction to the best of their ability.

They shall moreover work in close collaboration with the general directives of the WKF, whose supreme authority they shall recognise in everything concerning the sport of karate.

They shall also forward to the WKF a full annual report on the competitive, organisational and promotional activities undertaken.

- 2.3 The Statutes of the Continental Federations shall conform to the principles of the WKF Statutes.

All the radio, television, video, Internet and photographic rights of the WKF championships and other international events organised by the WKF shall be the exclusive property of the WKF. These rights may not be sold or negotiated without agreement of the Executive Committee, which may delegate its authority to negotiate the sale or use of these rights, but which shall support the sole responsibility for the final decision and for the use of the income from the sale of the rights.

- 3.2 The budget, adjustments to the budget, and the final balance-sheet, approved by the Executive Committee, and the reports of the WKF President, the General Secretary, the General Treasurer and the appointed Auditors must be approved by the Congress.

ART. 5- RECOGNITION AND AFFILIATION

- 5.1 The recognition of a National Federation by the WKF will be done following the regulations contained in these Statutes. For the official recognition of a National Federation in its country, and following Rule 29 and Bye-Laws to Rules 28 & 29 of the Olympic Charter, the WKF will inform the National Olympic Committee and the Highest Sports Authority of the country in question. Rule 30 of the Olympic Charter will apply for the recognition of an NF by an NOC. (References to the Olympic Charter are based on the 11 February 2010 version).
- 5.2 The approval of an applicant National Federation's Statutes by the WKF Executive Committee is required for recognition. The same applies to any subsequent change or amendment to the Statutes of a National Federation that will also have to be approved by the WKF Executive Committee. Such Statutes shall, at all times, conform to the principles of the WKF Statutes and make explicit reference to the affiliation to WKF and to the acceptance and subordination to the WKF Statutes. If there is any doubt as to the meaning or interpretation of the Statutes of a National Federation or if there is a contradiction between such Statutes and WKF Statutes, the latter take precedence.
- 5.3 Also the Rules and Regulations of the National Federations members shall conform to the principles of the WKF Rules and Regulations. In particular, WKF

- 5.5 Only 1 (one) National Federation per country shall be allowed.
- 5.6 The area of jurisdiction of a National Federation must coincide with the limits of the country in which it is established and has its headquarters.
- 5.7 National Federations wishing to be recognised by and subsequently affiliated to the WKF must be an independent organisation in their own country. The President and the other members of the Executive Committee of a National Federation must be democratically elected and hold the citizenship of their own National Federation country. Governments or other public authorities shall not designate any members of a National Federation. However, a National Federation may decide, at its discretion, to elect as members representatives of such authorities.
- 5.8 The WKF Executive Committee may take any appropriate decisions for the protection of the sport of Karate in the country of an NF, including suspension of or withdrawal of recognition from such NF if the constitution, law or other regulations in force in the country concerned, or any act by any governmental or other body causes the activity of the NF or the making or expression of its will to be hampered
- 5.9 National Federations wishing to be affiliated to the WKF must send to the General Secretary, together with the relative application fee payment, which in the event of acceptance of the application will be applied to the first year's membership fee, a complete dossier of documents giving detailed information on the standing and capacity of the National Federation including a copy of the latest Audited Financial Statement. This dossier must include the Statutes and the Rules and Regulations of the applicant Federation and documentation of any recognition by the National Olympic Committee or the Highest Sport Authority of the country.

Such membership fee payment shall be in the form of a bank cheque or bank transfer and of such amount as specified by the WKF. This payment must be cleared at the WKF bank before membership may proceed.

WORLD KARATE FEDERATION

Once accepted and only then, the Executive Committee will decide on submission of the application to the Ordinary Congress. Provisional affiliation will automatically expire 2 (two) years after the Executive Committee has granted it. Only the Executive Committee is empowered to award any extension to any provisional membership which has so expired. If the payment is not made in the current financial year a further surcharge as set by the Executive Committee is applicable.

Furthermore if a country has not paid their membership fees fully and wishes to be actively involved at a WKF Championships, then with the President's permission a commitment to payment form as specified by the President must be signed. It is the country's responsibility to ensure such form is duly signed by a responsible individual from their country and it is also the country's responsibility to ensure such payment is made by the date as specified on the form.

If such payment is not made by the date as specified on the form then this will remove the possibility of any future promissory notes being considered for the country in question.
